Dear Teresa:
I want to let
you know that you have
been a very good student.
Thanks a lot for the dinner
you + Bennett bought me.
I wish you a lot of luck
in your future. I know
you make it good because you
are a good girl.

everyone is different -- students are different in how they learn -- teachers are different in how they teach. choice not chance combines several options within one facility. there are six options within lincoln high school. they are: regular school, careers community, adaptability, student directed, teacher directed, and small group learning.

counseling

counselors provide services to students, parents and staff of the lincoln high school community. we act as resource persons for career and educational planning. we try to listen and provide support during times of personal difficulty, and we make referrals to appropriate professional services and agencies when needed. as we carry out these responsibilities, it is extremely gratifying that our work with lincoln students continually renews our committment to involvement with young people.

all students at lincoln can find a math class suited to their ability. classes are offered at the freshman, sophomore, junior, and senior level for improvement of basic arithmetic skills. algegra, geometry, trigonometry, calculus and computer programming are also offered as well as "honors" sections for those who excel in math ematics.

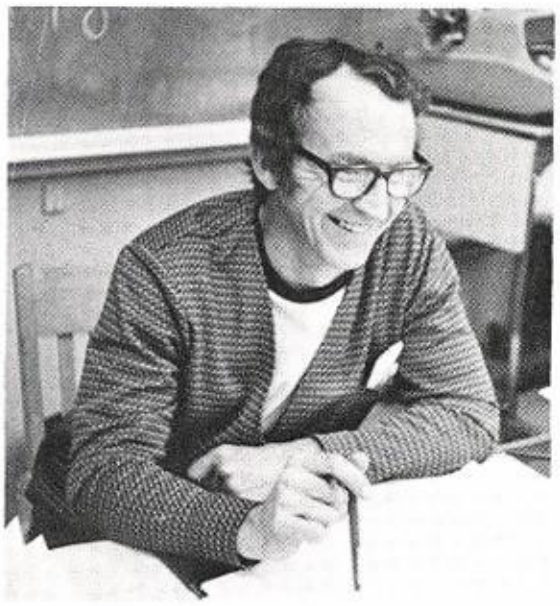
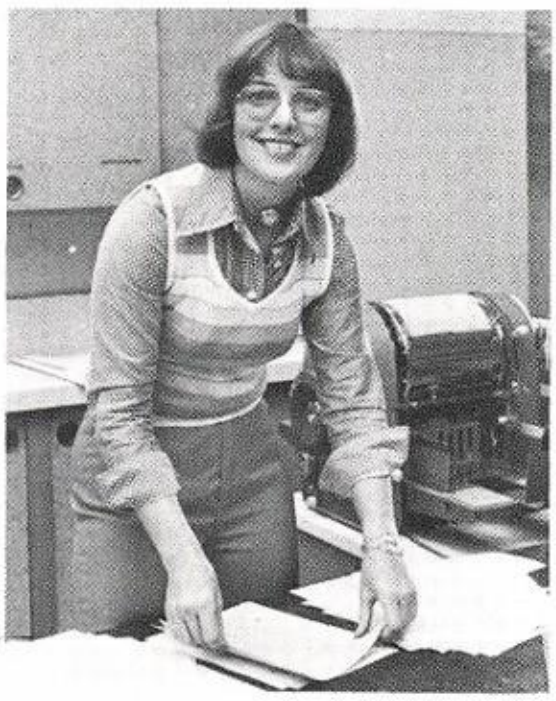
foreign language



jerry wallen
dept. head

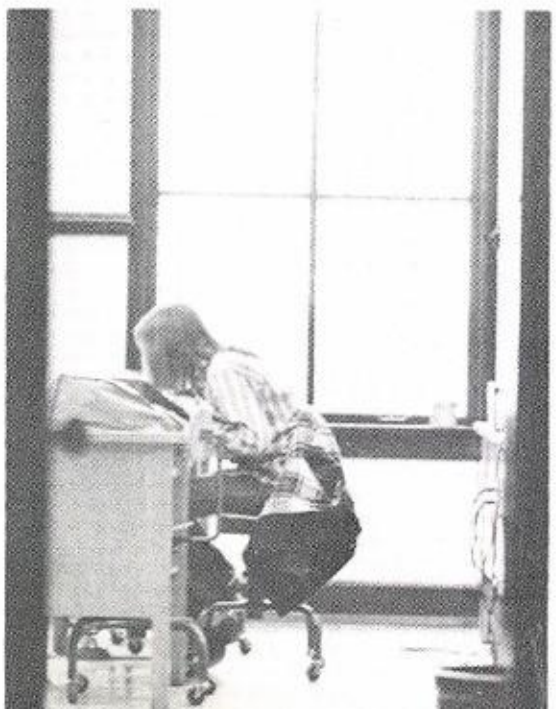
you may be among the 542 students at lincoln who are gaining control over at least the fundamental aspects of verbal and written expression in a foreign language. if so, you have joined those who in addition are learning to see their own language and culture with new insights. according to the german philosopher, goethe, "he who doesn't know another language doesn't know his own." perhaps that's an extreme statement, but lincoln students of french, german, norwegian, russian, and spanish are gaining something that no other courses can give.

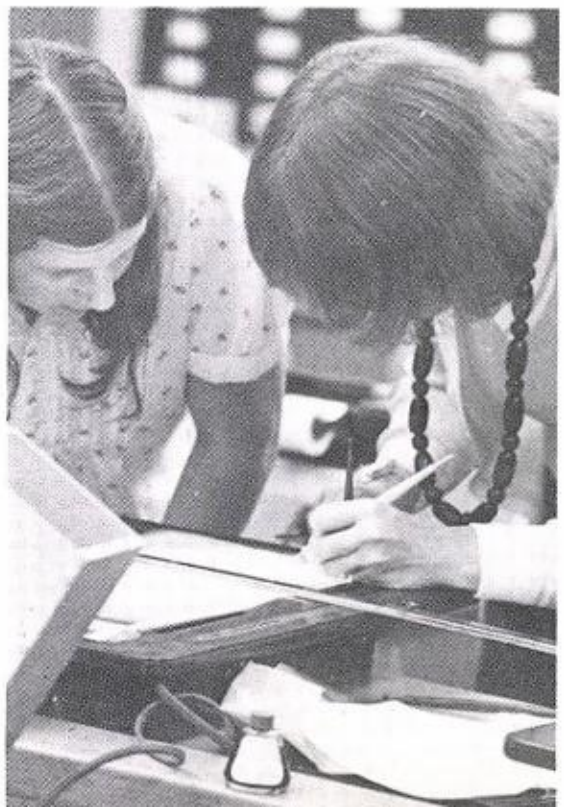
business ed.



nancy scott
dept. head

the business education department prepares you for work, develops your problem solving and logical thinking skills, adds to your education for citizenship and personal development, and helps you gain specific business skills such as typing, accounting, or salesmanship. statements of proficiency earned in four areas-- provide the background education and training that will lead to good jobs in your chosen field.

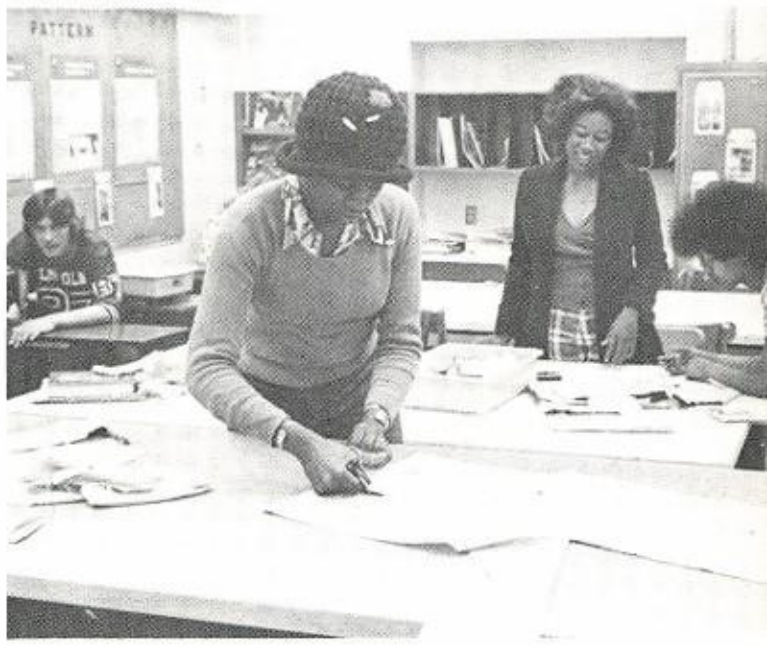




home economics

elizabeth noyd
dept. head

the home economics depart ment at lincoln high school offers the student g e n e r a l and specialized courses in, human relationships, child devel opment, consumer education, housing and home furnishings, clothing and textiles and foods and nutrition.



industrial arts

wayne sanders
dept. head

teachers in this department try to develop mental and physical skills of students in electron ics, drawing, visual communications, graphic arts, metal working, wood woorking and automo tive technology, course contents are designed from novice levels to vocational levels; the novice levels stress exploration.

a long way

in 1973, coach cale campbell brought the lynx football team up from the cellar. in 1974 the team came close to placing first in their division, with a victory over top ranked queen anne. the lynx were going strong. unfortunately, the lynx lost to shoreline and ballard respectively. our team is young and has a lot of experience behind them. next year the lynx has a strong chance of being number 1!

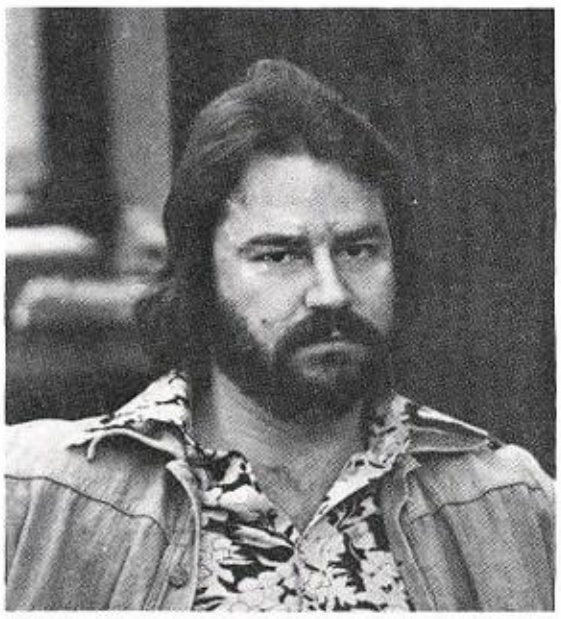
cross country



coach leo lange

this years cross country team started out with a new coach and many new comers to the sport. the teams main goals were self improvement and more experience.

this years varsity letters went to fred anderson, tom brush, sheldon chu, myron dupont, greg hocking, fred floresca, pat limb, greg lochrie, perry o'clarie, dean olsen and dale raymond.

greg hocking was named team captain and twinkle toes (most unique running style), and myron du pont was named inspirational.

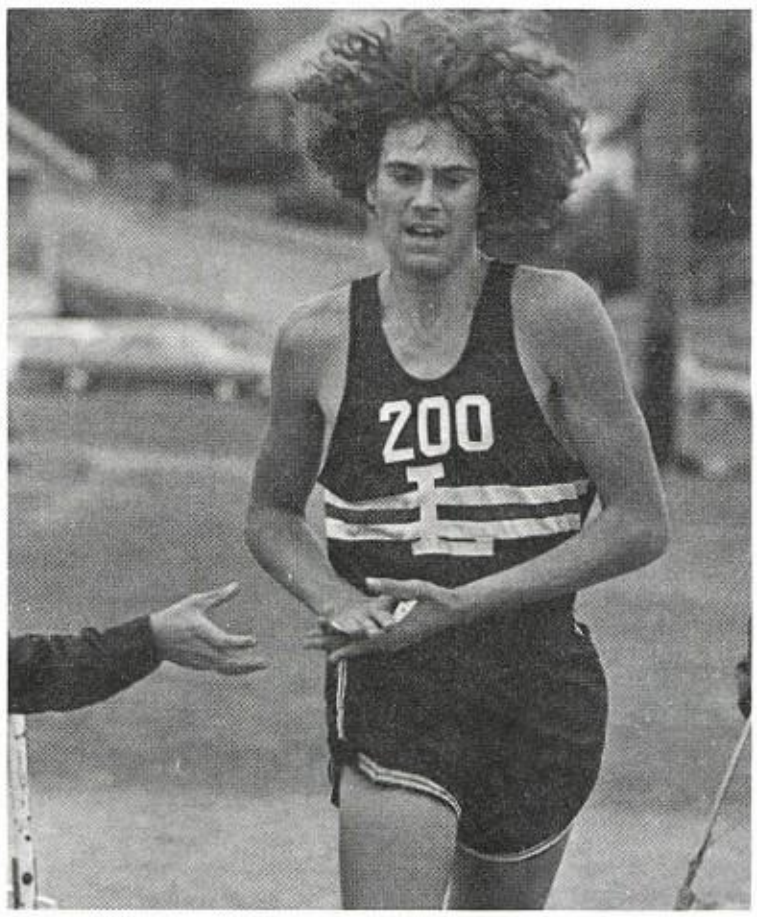
the base of a good cross country program is having a stable junior varsity team. this years runners will help out next years varsity team considerably making it a very promising year.

the junior varsity represented lincoln in a very successful manner throughout the most of their races. j.v. letters went to mike fenswick, carl manly, mark morrow, earl palmeter, garry raymond and bob sykes.



girls cross country

this years girls cross country team

this years girls cross country team did a very fine job during the season and in the all-metaro race led by ruth dawson's sixth place finish.

a few leaving seniors left next years team with much valuable experience. runners are hoping to do quite well in the next few years.

(c) 1965 Maclen Music, Inc.

traditions day 1975

the presentation of mr. & mrs. lincoln was the highlight of the week of activities which included: homeroom door decoration contest, lemon eating contests, pie eating contests, pogo stick contests and a dance featuring the band "rainbeaux".
the theme for this years t-day was "a day in the life" .... which was reflected in the hall, lunchroom and in the assembly.

mr. and mrs. lincoln 1975, le ann cox and pete rennie.

t-day

assembly

mr. rideaout performs -

"a farmer remembers lincoln"

two of the guest speakers for this years t-day assembly were mr. & mrs. lincoln of 1973, peter meade and jo beste.

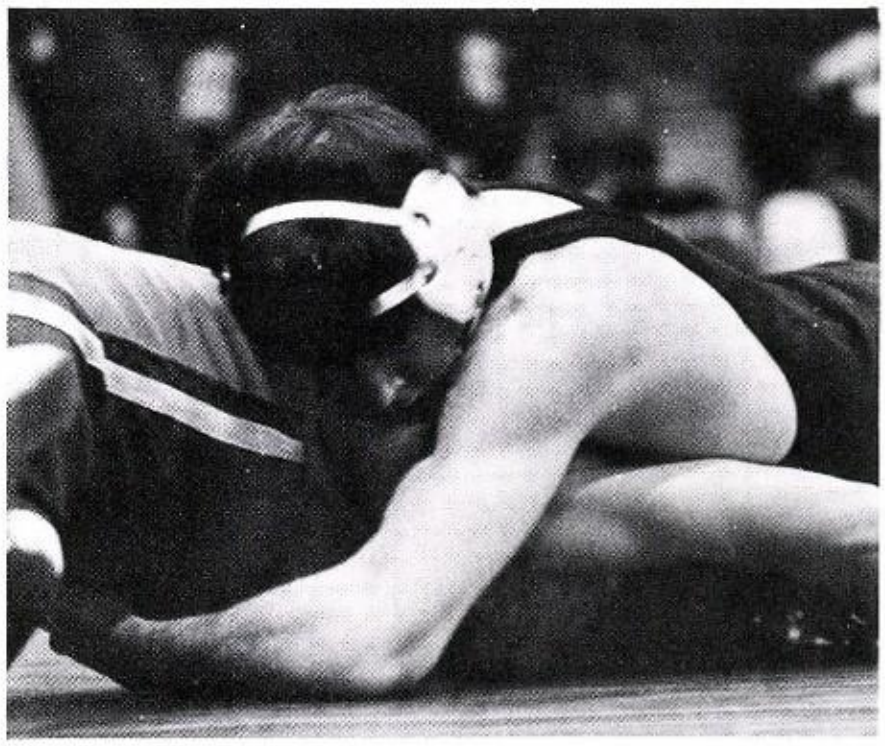
wrestling 1975

this years' wrestlers continued to perform with the usual lincoln style. with a team of many returning lettermen the lynx enjoyed a string of decisive victories. as usual, this year the wrestling program at lincoln generated spirit and drew the support of the student body as well as the entire community.

by gearing the wrestling program towards positive thinking and great player-coach relationships, coach richard hays has continued to maintain his impressive record.



"a typical pin in the everyday life of a lynx wrestler"

right on lincoln!

managers:

this years girls basketball team, although a young team did a tremendous job and had a most successful season. they worked extremely hard and profited by posting an 8 - 4 league record, third best in the northern division. the lincoln student body, faculty, and administration has to be proud of these girls. the parents coming out and watching the girls play had to be inspirational in their fine play. we the girls basketball team. and the coach would like to thank all those who helped support the team. thank you very much.

this year has proved to be
a building season for the
women representing lincoln
on the tennis court. with
a win-loss record of 2-4
from a young team with only one
graduating senior, the future
could only be brighter for
the lady lynx.

choice not chance

the 'choice not chance' program here at lincoln, was created in an effort to match diverse teaching and learning styles. 'choice not chance' realizes that individuals differ, and what is best for one may not be for another. five options were formed to meet these needs. a conventional style of teaching could be found in the regular school. in the teacher directed option, the emphasis is on a highly structured classroom. the goal of the career community is to direct the individual in deciding on and learning a career. the adaptability option offers an opportunity in learning which is geared to a changing society. those students in student directed work out their own goals through self-motivation. 'choice not chance' has offered a unique learning experience for many students.

plymouth division of chrysler motors sponsor statewide troubleshooting contests throughout all the states in the union every year. the contest consists of purposely malfunctioned parts placed in new plymouth automobiles. two contestants from each participating schools vie against each other, time, and quality trying to find, repair or replace these malfunctioned parts. when the contestants are finished with the automobile, it must be adjusted to factory specifications. the state winners and their teachers are flown to a selected city to compete in the same type of contest, except they would be competing against all winners from every state in the union. national first place is worth $5000.00 split between the two contestants. plymouth pays prize money for scholarships down to ten places. lincoln has won the state contest twice, second twice and third twice since 1965. we also have a national first place and third place.

we would like to thank the following very special people for all the help and understanding that was put into this annual

mr. kent kammerer, for letting us do "our own thing" yet being there when we needed you.

mr. jim palm, for your patience beyond the call of duty.

glenn and betty secord, alberto ortiz, a big thank you for all your extra time spent setting our "rush-deadline" copy.

and most of all to annual staff, thanks for the over abundance of candids, all the deadlines we didn't miss, houses for paste up parties, ruben, for your food, mike robinson, for your cooperation 100% of the time, jeannette, for your early dummy sheets, mike connell, for your rubber cement. etc, etc....

no, really-annual staff, a special thanks for all your hard work, and the good times. photographers, sarah w., todd, glen, ruben, and al, your the best. karen, for all the paper work. mary, you're a great copy editor. jeff, for all the hard work on the underclass pages. peggy, ads. and to all of annual staff, thanks most of all for being such fantastic people, and beautiful friends.

love you!

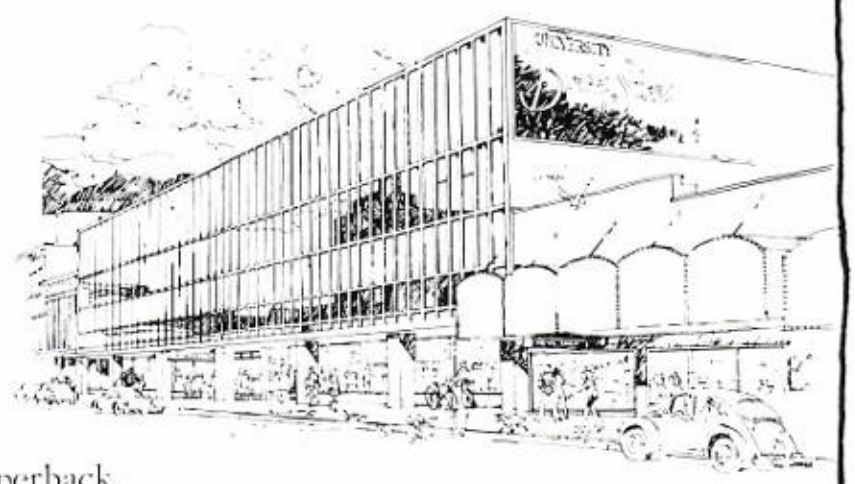
Come inside.



We think you'll like what you find.

We're the University Book Store. And books *are* our bag. Matter of fact, we're the only Book Store that stocks every book required for every course offered at the U. of W. New books and used books, hardbound and paperback. If you need it, chances are we have it. If we don't, we'll special order it. But don't be fooled by our name. We have a lot more than just books. Things like student, art, engineering and architectural supplies; records; typewriters; cameras; sporting goods; calculators; fashions; office supplies and one of the best gift departments around. And on top of all that, we gift wrap your packages free, have a free mailing service and pay the postage on books sent anywhere in Washington State. So next time you're in the neighborhood, we hope you'll come inside. We think you'll like what you find.
